

Mariposa County Fish and Game Protective Association

Contest Announcement

Check out the web site for up to date information on events and projects.

We are renting out our young "bucks & does" of the youth shooters to raise money for their competition shoots. Call if you have some work around your home or business that needs to be done.

< Your logo could be here! Join the fun and competition!

We need to update the logo for the Mariposa County Fish and Game Club.

We are holding a contest for a new F & G logo. At the Flea Market on June 6th the submissions will be voted on by those in attendance. The winner will be announced at the following F&G meeting.

The winner will be presented with a free hat, once they are available, and a gift basket of miscellaneous hunting, fishing and family fun items provided by Ransom's Rifle Repair and Reloading, and The Occasional Expert (Julie Ransom).

Rules:

- Your submission must be received on or before June 1st.
**
- Logo should be at least 5"x7" (enlarged or actual size) to allow for easy judging.
- The submission should be in color, unless intended to be black and white, and 2 copies should be submitted. If you have a JPEG file it can be emailed to heather@mariposafishandgame.org
- The submission needs to be labeled with the name and contact information of the submitter.

**The submission can be left with Jeff Ransom @ the court house, Heather at Stan's Auto Body, or at Ransom's Rifle Repair and Reloading gun shop.
